

Shunichi SATO, reissue application no. 10/603,418  
Page 2

Dkt. 2271/53467-A1

**Amendments to the Specification:**

Please insert the following section before the Background section in column 1 of the patent.

**CROSS-REFERENCE TO RELATED APPLICATION**

This reissue application, filed June 24, 2003, is a continuation of co-pending reissue application no. 09/860,369. This application and reissue application no. 09/860,369 each seeks reissue of U.S. Patent No. 5,904,549, issued May 18, 1999 based on U.S. application no. 08/834,959, filed April 7, 1997.
